

# BATH-HALF

Dear Runner,

With great regret we announced earlier today that the Bath Half Marathon will be postponed to 13<sup>th</sup> March 2022, due to continuing COVID restrictions for large-scale events plus planned infrastructure projects on the highways network in the City this autumn. You can read our full statement [here](#)

**As a registered entrant you now need to select one of the options outlined below via the RealBuzz [Members Hub](#) – before 9am on Tuesday 11<sup>th</sup> May (the ‘Preference Closure Date’)**

If you do nothing, we will assume you want to defer your entry to the new date

1. **Defer**: Defer your half marathon entry to the new date on 13<sup>th</sup> March 2022, or
2. **Transfer**: Transfer your entry to the half marathon on 13<sup>th</sup> March 2022 to a friend or family member for a fee of £10. Note this option already exists and the closing date for entry transfers has now been extended to 17<sup>th</sup> December 2021, or
3. **Cancel and donate**: Cancel your entry and donate your entry fee (less booking fee) to the Bath Half Marathon Fund supporting smaller local charities-administered by Quartet Community Foundation. Including the option of allowing Gift Aid recovery, or
4. **Cancel and refund**: Cancel your half marathon entry and receive a (full) refund of your entry fee (less booking fee) – in accordance with our terms and conditions

It's heart-breaking to have to postpone our Bath Half Marathon for a second time and we know that many people will be disappointed by this decision. But with the support of our

entrants, community and partners we're determined to return in March 2022 with a celebration for our 40th anniversary.

Kind Regards,

Bath Half Team
