**TOTAL COMMUNITY GRANTS AWARDED SINCE 2003 £274,108**

The Bath Half Marathon Fund relies on the generosity of runners making donations when they register to enter our event
These donations are passed to Quartet Community Foundation who manage the gift aid recovery, and the funds are distributed each year in grants for sport and exercise projects delivered by smaller local charities and voluntary groups within Bath & North East Somerset
Besides representing a source of funding, these grants also provide a valuable recognition and endorsement for smaller charities and groups working to overcome deprivation and isolation
In addition to these community grants, each year the Bath Half Marathon also pays for services delivered by 850 volunteers working for 10-12 local voluntary groups
Collectively represent a unique legacy created by thousands of BATHALF entrants as a 'Thank You' to the City of Bath for hosting our event - in addition to the monies raised by runners taking part in the race through sponsorship for larger local charities, through our Official Race Charity Partner Scheme

## ***Making a Difference in the Heart of Bath***

Bath Half / Quartet / Grants / Grants awarded 2003-2022
